## ADOPT A FAMILY & YOUTH SCHEME (AFYS)

AFYS was introduced in 1999 to provide assistance for disadvantaged families and encourage them to be self-reliant within 3 to 5 years.

Under the scheme, a donor sponsors one underprivileged family at **\$300 per year or \$25 per month**. Donors will receive a profile of their respective adopted families and two progress reports during the year detailing the family's progress and assistance rendered by AFYS.

Families with household income of less than **\$2,500** or per capita income of less than **\$650**, have **young or school-going children** and show the **potential to be self-reliant** are eligible to be in the scheme.

## SKIM KELUARGA ANGGAT & BELIA (AFYS)

AFYS diperkenalkan pada tahun 1999 untuk memberi bantuan bagi keluarga-keluarga yang kurang berkemampuan serta menggalakkan mereka untuk berdikari dalam masa 3 hingga 5 tahun.

Di bawah skim ini, penderma menaja sebuah keluarga kurang berkemampuan dengan menderma **\$300 setahun atau \$25 sebulan**. Penderma akan diberi profil keluarga yang ditaja bersama dua laporan mengenai perkembangan mereka sepanjang tahun serta bantuan yang diberikan melalui AFYS.

Keluarga-keluarga yang mempunyai pendapatan bulanan kurang daripada **\$2,500** atau pendapatan per kapita kurang daripada **\$650**, mempunyai **anak-anak kecil atau yang masih bersekolah** dan menunjukkan **potensi untuk berdikari** layak untuk berada di dalam skim ini.

# \$3.35

million had been disbursed to AFYS families since inception

*juta telah diagihkan kepada keluarga-keluarga AFYS sejak ianya ditubuhkan*

## TESTIMONIALS

"I became a single mother not by choice, but after the demise of my loved one. His passing changed our lives. I often stress myself when I think about going through my daily routine, as well as in raising our children to a point that it affected my health. *Alhamdulillah*, with the help of AFYS case officers who never fail to show their concern, my children's educational expenses were taken care of. Thank you, AFYS! Our family is truly grateful."

- **Zarina, single mother of 3 children**

"It was not easy going through an adversity in life, especially when I was diagnosed with cancer. As a mother of three school-going children and my husband as the sole breadwinner of our family, my focus at the time was to get better. However, my husband and I were also concerned about our children's education. Given the high costs for my treatment, we are very grateful that AFYS is there to help and ensure that our children's educational needs were not affected, and that they could continue to study and go to school without worry. *Alhamdulillah*, we managed to get through these difficult times with the support from AFYS. I am now a cancer survivor since the past 5 years. I would like to thank all of the AFYS case officers who have helped us a lot and with open arms."

- **Yennisah, mother of 3 children**

## TESTIMONI

"Saya menjadi seorang ibu tunggal, bukan sebab pilihan, tetapi setelah kehilangan suami yang disayangi. Pemergiannya mengubah kehidupan kami. Saya sentiasa tertekan memikirkan tentang bagaimana saya harus jalani kehidupan seharian, serta dalam menampung perbelanjaan anak-anak sehingga ianya menjejaskan kesihatan saya. *Alhamdulillah*, dengan bantuan AFYS dan keprihatinan pegawai-pegawainya, keperluan persekolahan dan perbelanjaan anak-anak saya dipermudahkan. Terima kasih, AFYS! Kami sekeluarga sangat bersyukur."

- **Zarina, ibu tunggal kepada 3 orang anak**

"Bukan mudah bagi saya untuk melalui sebuah cabaran kehidupan, terutama sekali apabila doktor mengesahkan yang saya menghidap barah. Sebagai seorang ibu kepada tiga orang anak yang masih bersekolah, dan suami sebagai satu-satunya pencari nafkah keluarga, fokus saya pada saat itu hanyalah untuk cepat sembuh. Akan tetapi, kami juga prihatin tentang pembelajaran anak-anak. Memandangkan kos rawatan saya yang agak tinggi, kami sangat bersyukur kerana AFYS ada untuk membantu dan memastikan keperluan persekolahan anak-anak kami tidak terjejas dan mereka boleh meneruskan persekolahan tanpa rasa risau. *Alhamdulillah*, kami berjaya melalui masa-masa sukar tersebut berkat sokongan AFYS. Kini, saya seorang pejuang kanser selama 5 tahun. Saya ingin mengucapkan terima kasih kepada seluruh pegawai AFYS yang banyak membantu kami dengan tangan terbuka."

- **Yennisah, ibu kepada 3 orang anak**

# RANGE OF ASSISTANCE

Your sponsorship will assist underprivileged families to become self-reliant through the following range of assistance. This aims to build their confidence and resilience.

## 1. Financial Assistance and Management

- Monthly tracking of household income and expenditure
- One-off partial payment or development of an installment plan with relevant agencies
